Dear Teachers, Students and Parents,

The time has come to collect recipes and publish another McCabe School District Cookbook. Please look over the following guidelines as you prepare to submit recipes for your student.

Write recipes on the attached form or send the same information in an email to Mrs. Nelson at [nelson@mccabeschool.net](mailto:nelson@mccabeschool.net)

Submit as many recipes as you would like. Remember to send in your family favorites as the cookbook makes a handy reference tool for your recipes you depend on.

The **LAST - LAST - LAST** date to receive recipes from you is January 30, 2010. I would like to get the cookbook submitted to the publisher soon after that and have it ready to deliver in the spring.

Be sure to send your daytime (8:00 am – 4:00pm) phone number. This number will be used to call you if I have any questions about your recipe. Recipes that are incomplete and sent in without a reliable phone number will not be submitted.

Be sure to pre-order your cookbook before January 30, 2010. Once we send in the order the cookbooks will be available on a first-come, first-served basis.

All proceeds from the cookbook will be used to expand our libraries.

Any questions, please email.

Thank you,

Mrs. Nelson and the GATE student cookbook committee
